aequationes mathematicae

Vol. 56, 1998

Birkhäuser Verlag, Basel · Boston · Berlin

Aims and Scope
aequationes mathematicae (AEM) is an international journal of pure and applied mathematics, which emphasizes functional equations, dynamical systems, iteration theory and combinatorics. The journal publishes research papers, reports of meetings, bibliographies, problems and solutions. High quality survey articles are an especially welcome feature. In addition, summaries of recent developments and research in the field are published rapidly. The languages in which papers will generally be accepted are English, French and German.

Subscription Information
The journal *aequationes mathematicae* is published in 2 volumes per year, and 3 issues per volume.
Annual subscription* sFr. 698.-
Single issue* sFr. 138.-
* Suggested retail prices, postage and handling not included.

Subscription orders should be addressed to:
Birkhäuser Verlag, P.O. Box 133, CH-4010 Basel, Switzerland
Fax: + 41 61 205 07 91, e-mail: subscriptions@birkhauser.ch
or through your bookseller or subscription agency.

Surface Airmail Lifted (SAL): For subscribers in Japan, India, Australia, and New Zealand, price lists indicating special carriage charges are available.
Airmail delivery to all other countries is available upon request.
Delivery (North America): All journals are airspeeded to subscribers in the USA and Canada.
Changes of Address: Please report any change of address at least 4 weeks before it is to take effect, giving your current as well as your future address.
Claims: Claims for issues not received should be made promptly - at the very latest immediately upon receipt of the issue succeeding the missing number.
Cancellations: No cancellations are accepted for the calendar year once subscription has been entered. No refunds will be made. Cancellations must be received by September 30, 1998.
Back Volumes of this journal are available. Prices are quoted at the current subscription rates per volume.

Correspondence concerning advertisements, general publishing matters and procedures should be addressed to:
Birkhäuser Verlag, P.O. Box 133, CH-4010 Basel, Switzerland
Fax: +41 61 205 07 91, e-mail: aequationes@birkhauser.ch

30 reprints of each paper will be supplied free of charge. Prices for additional reprints can be obtained through the Publisher.

Disclaimer: While the advice and information in this journal is believed to be true and accurate at the date of its going to press, neither the authors, the editors, nor the publisher can accept any legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.
